Good Afternoon George,
Nice talking to you this morning. As discussed we can meet at the Site at 8 AM on Thursday March 15. The entrance is manned by a security guardhouse and gate. There is some parking across the street at our C&M building where we can meet and then all go in together. We understand you would like to walk the site and familiarize yourself with existing features and perhaps observe some of our boring locations. If you have any trouble in the morning please call my cell. We look forward to seeing you.

Thanks,

Mark Withrow, PE
